REQUEST FOR REFUND OF EXTENSION FEES PAID

Assistant Commissioner of Patents
Washington, DC 20231
BOX: Office of Initial Patent Examination/Missing Parts

Sir:

Applicant requests a refund of the \$1440.00 extension fees paid with the accompanying Response to Notice to File Missing Parts, for the following reasons:

1. On approximately March 18, 2002, when Applicant's counsel still had not received its return receipt postcard assigning a serial number, its agent made an inquiry at the Patent Office and obtained a copy of the contents of the Patent Office file wrapper and provided it to Applicant's counsel. As of that date, the Patent Office file wrapper for this application did not contain a copy of the Missing Parts Notice and applicant's counsel's agent was unable to obtain a copy.
2. On July 8, 2002, when applicant's counsel still had not received a filing receipt or Missing Parts Notice, its agent again inquired at the Patent Office. On July 9, 2002, copies of these items were mailed from the Patent Office to applicant's counsel with a "Cover Letter for Resending Correspondence". The Notice reflected a mailing date of January 28, 2002, such that the final non-extendable deadline for response was July 28, 2002.
3. Applicant's position is that either the Notice of Missing Parts dated January 28, 2002 was lost in the mail, or was not mailed until July 9, 2002. In either event, a copy of such Notice was not available in the Patent Office File Wrapper as of March 18, 2002, nearly two months following the date of mailing. Thus, the delay in filing a Response was entirely out of the control of Applicant's counsel.

The Commissioner is requested to refund the entire \$1440.00 representing a large entity extension fee of four months, to Deposit Account 03-3975 (Order No. 042496/0273335).

Respectfully submitted
